

# COUNTDOWN Challenge

## Regular & Irregular Polygons

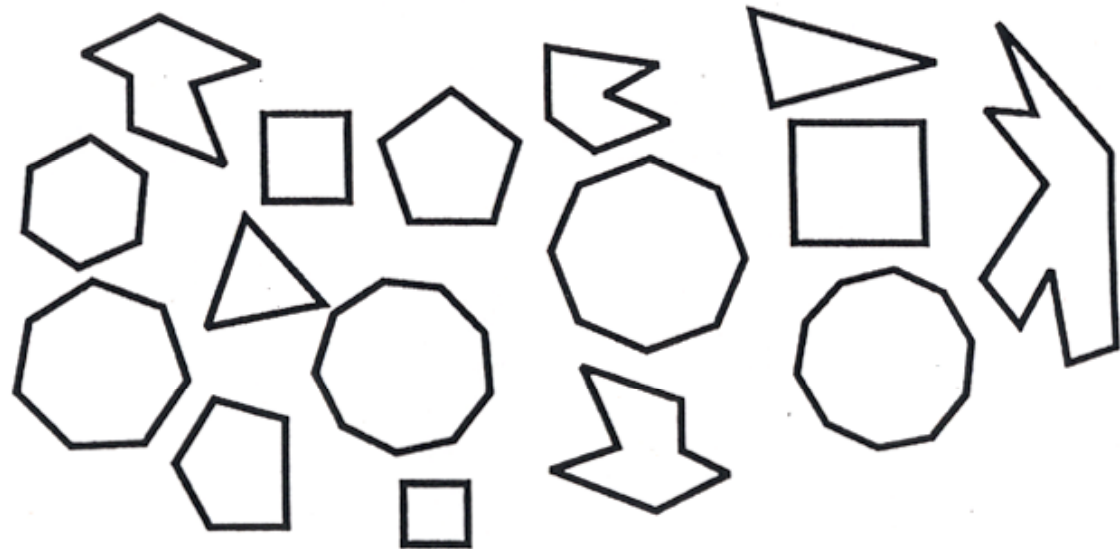

**Polygons.** Use the table to color the polygons. Circle all regular polygons.

Polygons

Color

triangle  
quadrilateral  
pentagon  
hexagon  
heptagon  
octagon  
nonagon  
decagon

yellow  
red  
green  
purple  
orange  
blue  
brown  
pink

Two polygons are congruent. Label congruent polygons with \*.  
Three polygons are similar. Label similar polygons with X.
