

COUNTDOWN Challenge

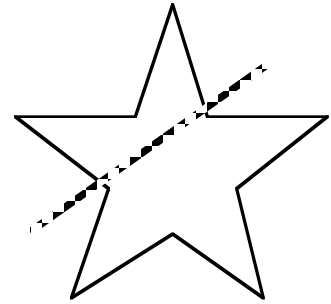

Symmetry Fun

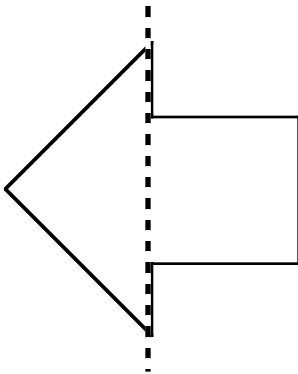

Color all polygons which have a line of symmetry. Circle all regular polygons (congruent sides and congruent angles). Use the table at the bottom of the page to correctly name each polygon.

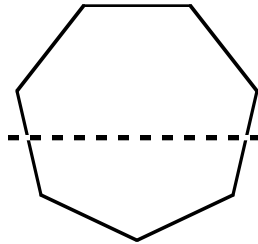

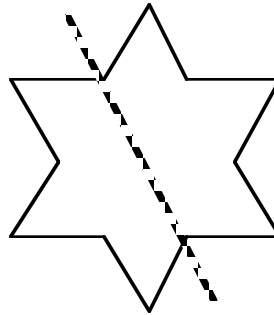

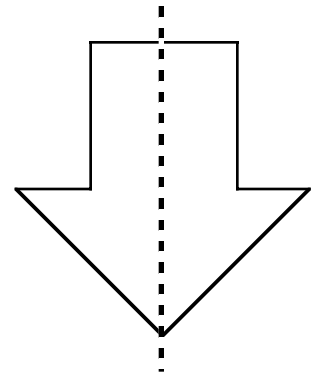

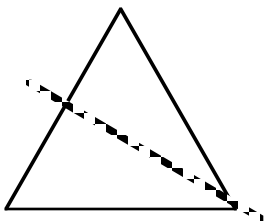

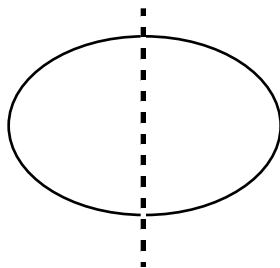

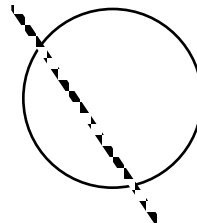

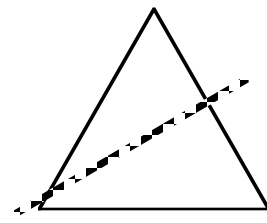

Name	Sides	Name	Sides
Triangle	3	Octagon	8
Quadrilateral	4	Nonagon	9
Pentagon	5	Decagon	10
Hexagon	6	Unagon	11
Heptagon	7	Dodecagon	12
