

# C is for COUNTDOWN

a worksheet to complement

G is for Googol, by David Schwartz & Marissa Moss

A is for

Make your own ABC math book by drawing a picture in each of the squares.  
Use the index of your math book to get some ideas.

<b>B is for</b>	<b>C is for</b>	<b>D is for</b>	<b>E is for</b>	<b>F is for</b>
<b>G is for</b>	<b>H is for</b>	<b>I is for</b>	<b>J is for</b>	<b>K is for</b>
