

COUNTDOWN CHALLENGE

Word Problems & Comparison

Use the table below to compare the test scores of Sally, Jose, Frank and Amanda. Use $<$, $>$ or $=$ to make your comparisons.

	Math	Science	History	Spelling
Sally	95	90	94	81
Jose	83	93	92	89
Frank	88	96	83	88
Amanda	91	85	89	94

Sally's math score	$>$	Jose's math score
Frank's science score		Amanda's science score
Jose's history score		Frank's history score
Amanda's math score		Frank's math score
Sally's spelling score		Jose's spelling score
Sally's science score		Jose's science score

Sally, Frank, Jose and Amanda also had a test in Biology, but they can't remember their scores. Frank remembers that he did better than Jose. Amanda remembers that she did better than Frank, but worse than Sally. Use these clues to compare the students, and then rank them from highest to lowest score.

Amanda's score		Sally's score
Amanda's score		Frank's score
Frank's score		Jose's score

1 (highest)

2

3

4 (lowest)
