

# MathFLIX CHALLENGE

## Sweet 16?- Final 4? - Who will WIN?

Discover how exciting academic competitions can be. Choose a Math Tournament Game listed here (or create your own), read the rules, then use the bracket to follow a player's path to the #1 position!

Game	Prime #s	Triangular #s	Square #s	Multiples of 3	Even #s	Odd #s
Winning #s	2, 3, 5	1, 3, 6	1, 4	3, 6	2, 4, 6	1, 3, 5

*The play:* Students roll 1 number cube (dice) and advance accordingly to the next level.
