## Find the Secret Word #1

Study each equation below. Substitute a number for each letter that will make the equation true. (Hint: Look for 0 and 1 first.)

\_\_\_\_\_      \_\_\_\_\_      \_\_\_\_\_      \_\_\_\_\_  
0                    1                    2                    3

$$A + A = T$$

$$T + M = T$$

$$A + T = H$$

## Find the Secret Word #2

0                    1                    2                    3                    4

$$R + O = M$$

$$M + D = M$$

$$R + R = S$$

$$M \times O = M$$

## Find the Secret Word #3
